at Greenacres this summer! New camps and old favorites return, giving your campers a chance to explore all that Greenacres has to offer. Get creative with Arts in the Natural World, go on an Outdoor Odyssey at Lewis Township, or experience the outdoors after dark at Night Camp. Greenacres will fill your child's summer with unforgettable experiences. Our camps are tailored to be age appropriate and led by our full-time, professional staff.

# LEADERS IN TRAINING

Did your child age out of camp and is looking for an amazing summer opportunity? Our Leaders In Training (LIT) program offers a unique opportunity for 14–17 year olds to develop their leadership skills while sharing their experience and enthusiasm with the next generation of campers.

Leaders In Training have the opportunity to interact with children, lead activities, pursue their passions, and enjoy time at Greenacres. LITs are asked to volunteer two weeks of their time (weeks do not need to be consecutive).

For more information, or to apply for our LIT program, visit [green-acres.org/camps](http://green-acres.org/camps)  
Applications accepted April 3–May 19.
