ADVENTURE AWAITS

for your camper this summer! Whether you live near Oldenburg Indiana, Cincinnati Ohio or Lewis Township, Ohio, our three locations are yours to explore.

Your favorite Greenacres education teams are back! As always, our professional educators build camp experiences that extend childhood development and learning into the summer, with FUN in the arts, farming, nature and equestrian ventures!

LEADERS IN TRAINING

Is your teenager looking for an exceptional summer experience? **Our Leaders In Training (LIT) program offers a unique opportunity, at all three of our sites, for 14-17 year olds to develop their leadership skills and share their experience with the next generation of campers. Those accepted into the program will be able to interact with children, lead camp activities, and enjoy time at Greenacres.**

LITs are asked to volunteer two weeks of their time during the camp season (weeks do not need to be consecutive) and **attend the in-person mandatory training on Saturday, May 31st from 9am-1pm.**

For more information, or to apply for our LIT program, visit green-acres.org/camps. **Applications will be accepted from March 10 - May 10, 2025.**
