

GREENACRES

Exploring with Grace Fund 

Dear Community and Friends,

We are honored to host the second annual Giving with Grace Fundraiser in support of the Exploring with Grace Fund at Greenacres. With the help of generous sponsors, donors, and vendors, last year we raised over **\$130,000** - a truly inspiring achievement! **This fund provides opportunities for under-resourced youth to visit Greenacres for free after-school programming, where dedicated educators foster their connection to the environment, generative agriculture, equine, and the arts.** By facilitating group attendance, the Fund honors the memory of Grace Lewis, and inspires future generations.

We are deeply grateful for the partnership that allows Greenacres to honor the memory of Grace, Mrs. Kim Lewis's daughter. Although we are heartbroken by her absence, we remain committed to preserving her legacy of helping those in need.

Through the Exploring with Grace programs, we have witnessed the transformative impact these initiatives have on children from at-risk communities, enhancing their well-being and fostering a sense of stewardship for the Earth. **The Exploring with Grace Fund envisions Greenacres as a place that empowers children to connect with nature and with each other.**

Funds raised at the Giving with Grace Fundraiser support essential programming, including transportation, meals, and supplies. Your support is crucial in helping us create lasting connections between children and the beauty of nature.

We hope you'll Save the Date for the Fundraiser event, September 30! Ticket sales will begin this summer.

For sponsorship opportunities, please see the attached information, or reach out to the Greenacres Events Team: events@green-acres.org or call 513-891-4227.

Sincerely,

Meredith Leslie

LEARNERS IMPACTED

“ The instructors at Greenacres were very hands on. Everything was structured very well and that made it easy for the chaperones as well. The meals provided were also a bonus for the kids and families we serve. ”
